

# Living Generously...

During this season of thanksgiving, we ask that you thoughtfully and prayerfully consider the reasons you attend services at St. Andrew's Church, and consider the many blessings God has bestowed on you and your loved ones. As a foundation for your prayer, we suggest you consider the question: "What portion of my income is God calling me to give?" We also suggest that those with children make this a family discussion – it is only through our own example of giving that our children are taught the importance of supporting God's work on earth.
